

Welcome to Detroit Entertainers & Musicians News (Detroit EM News)

Empowering Detroit's Youth and Celebrating Local Talent Since 2007

Detroit Entertainers & Musicians News (Detroit EM News) is your go-to online news publication dedicated to highlighting the upward mobility of Detroit's youth, renowned artists, and emerging talents. Since our inception in 2007, we have been committed to providing affordable web advertising services that promote local artists and businesses while supporting the education and creativity of our community.

Our Mission

At Detroit EM News, we aim to create meaningful connections through storytelling and artistic expression. We provide a platform for students to gain real-world experience in various fields, including graphic design, journalism, photography, videography, and more. Our project-based program with Detroit EM News, L3C LLC, is designed to empower the next generation of creative professionals.

What We Offer

Affordable Web Advertising: Promote your products and services to a broad audience while supporting local talent.

Student Development: Our program allows students to acquire valuable skills and experience as graphic designers, junior reporters, photographers, videographers, volunteer ambassadors, and more.

Recognition and Encouragement: We celebrate students' academic and extracurricular achievements, fostering their passions and creative expressions in the performing arts and communication.

Why Support Us?

With a rich fourteen-year history of documenting the "Entertainer's Written Word," Detroit EM News is more than just a publication. We are a community championed by artists and local businesses who believe in our mission. When you donate or advertise with us, you directly support education and provide opportunities for secondary school students to create your advertisements using our content management system.

Join Us Today

Be a part of the movement that empowers youth, supports local talent, and fosters community growth. Your support makes a significant difference.
